- Serving All Southern California – Orange County to LAX and beyond

A Seamless Hourly Transportation Experience

Managing transportation for a busy day with multiple stops can be one of the most stressful parts of business travel or event planning. Pre-arranging an hourly chauffeur service allows you to plan your transportation before the day begins and avoid depending on last-minute rideshare availability.

Luxe Elite Transportation focuses on providing a smooth experience from scheduled pickup to final destination. Our service is designed for clients who value professionalism, comfort, and the freedom to travel at their own pace.

Flexible Scheduling & Itinerary Coordination

Providing your itinerary and time requirements helps Luxe Elite coordinate your transportation around your schedule. Whether you need a vehicle for a few hours, a half-day, or a full day, having your transportation arranged in advance makes the overall journey more organized and less stressful. Our team works with you to understand your day and ensure seamless transitions between destinations.

Professional Chauffeur Service

A professional chauffeur adds another level of comfort to hourly transportation. Luxe Elite chauffeurs provide courteous and discreet service while helping create a calm and comfortable travel experience. Our chauffeurs understand when to engage in conversation and when to provide a quiet environment for calls or work. They monitor real-time traffic conditions, construction, and event-based closures to keep you on schedule.

Private & Comfortable Transportation

With a private vehicle reserved for your party, you can travel without sharing the ride with unrelated passengers. Your vehicle can also be selected according to passenger count, luggage requirements, and the type of journey. Each vehicle is equipped to function as a mobile office with amenities like climate control, phone chargers, and privacy glass.

Multi-Stop Itineraries Made Simple

Hourly transportation is ideal for multi-stop itineraries. Whether you need to visit multiple offices, client sites, venues, or run errands across town, your chauffeur stays with you throughout the day. There is no need to coordinate multiple rides or wait for new vehicles to arrive. Your vehicle is ready when you are, protecting your schedule and preserving your mental bandwidth.

Business & Leisure Travel

Our hourly transportation service is suitable for executives, corporate travelers, event planners, families, couples, and leisure travelers who want a more refined transportation experience. From an important business trip to a day of sightseeing, Luxe Elite provides private transportation designed around your needs.

Our Luxury Fleet

Luxe Elite Transportation offers premium vehicle options designed for different passenger counts and travel requirements.

Luxe Black Sedan

Capacity: 3 passengers | 2 luggage

The Luxe Black Sedan is a refined option for individual travelers, couples, and executives seeking comfortable private hourly transportation. Its smaller

passenger capacity makes it suitable for travelers who prefer a discreet and sophisticated vehicle for business or leisure trips.

Luxe Executive SUV

Capacity: 6 passengers | 4 luggage

The Luxe Executive SUV provides additional passenger and luggage space while maintaining a premium travel experience. It is a practical option for families, small groups, executives, and travelers requiring extra space.

Mercedes Sprinter

Capacity: 10 passengers | 14 luggage

The Mercedes Sprinter is designed for larger groups requiring additional passenger and luggage capacity. It can be an appropriate option for group transportation, corporate travel, and larger parties.

All vehicles feature leather interiors, Wi-Fi, charging ports, and a quiet, refined environment ideal for work, relaxation, or arriving in style. Vehicle choice is a "performance decision," not just a status symbol – the right vehicle enhances productivity and comfort.

Professional Chauffeur Experience

A premium vehicle is only part of the hourly transportation experience. Luxe Elite combines its luxury fleet with professional chauffeur service focused on courteous communication, punctual transportation, privacy, and passenger comfort.

Whether you are traveling alone, with your family, with business associates, or as part of a larger group, the goal is to make your journey smooth, efficient, and organized.

Key Chauffeur Attributes:

- Vetted and Trained: All chauffeurs are background-checked and professionally trained in protocol and advanced routing

- Discretion and Behavior: They understand when to engage in conversation and when to provide a quiet, private environment for calls or work
- Proactive Problem Solving: They monitor real-time traffic conditions, construction, and event-based closures, and build in contingency plans to keep you on schedule
- Professionalism: Every chauffeur delivers executive-level service that leaders can depend on
